WHY WE PARTICIPATE IN WALK MS

COLBY WENCK

Never before has there been such an exciting time in MS research. It seems like every time you turn around there are new and exciting developments that are going to make real differences in people's lives. The kind of difference that may allow someone who has difficulty standing to once again walk without aid. These aren't the ideas of a dreamer, these are realities.

These developments however, do not come cheap. By participating in the Walk, I not only bring awareness to this disease but help to raise money for continued success.

I walk because I can and MS will not change that.

TARA SUMMERS

Our team, Tutu Cute: Fighting Against MS, was created for the 2011 MS Walk. My sister and I created this team after I was diagnosed with MS in July 2010. I invited several friends and family to come walk with us, but when everyone joined and donated I was very surprised and touched.

After walking our first year there was no question that we had to do it again, and of course it had to be bigger and better.

Last year our team consisted of even more friends and family members. It's great to see everyone join together for a common cause. I hope that this year our team is just as successful and that we have several new people join us.

Right now I have everything I need to cope with MS, but I know one day that may not be the case. I like to donate because there are several people out there who may need help. The National MS Society is a great resource and a great organization that I am glad I am able to be part of.

A WORLD FREE OF MULTIPLE SCLEROSIS

ABOUT MS

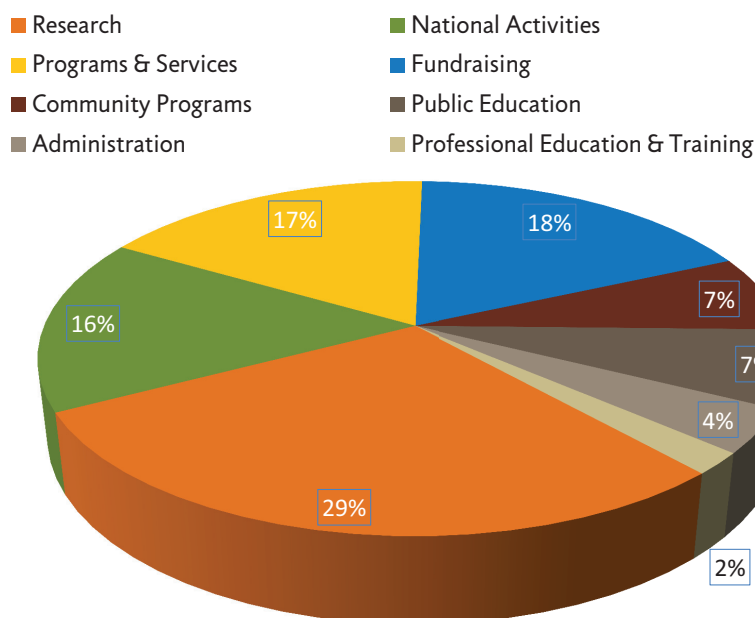

Multiple sclerosis, an unpredictable, often disabling disease of the central nervous system, interrupts the flow of information within the brain, and between the brain and body. Symptoms range from numbness and tingling to blindness and paralysis. The progress, severity and specific symptoms of MS in any one person cannot yet be predicted, but advances in research and treatment are moving us closer to a world free of MS. Most people with MS are diagnosed between the ages of 20 and 50, with at least two to three times more women than men being diagnosed with the disease. MS affects more than 2.1 million people worldwide.

ABOUT THE NATIONAL MS SOCIETY

MS stops people from moving. The National MS Society exists to make sure it doesn't. The Society addresses the challenges of each person affected by MS by funding cutting-edge research, driving change through advocacy, facilitating professional education, collaborating with MS organizations around the world, and providing programs and services designed to help people with MS and their families move forward with their lives. In 2010 alone, through its national office and 50-state network of chapters, the Society devoted \$159 million to programs and services that assisted more than one million people. To move us closer to a world free of MS, the Society also invested \$37 million to support 325 new and ongoing research projects around the world.

The Society is dedicated to achieving a world free of MS. Early and ongoing treatment with an FDA-approved therapy can make a difference for people with multiple sclerosis. Learn about your options by talking to your health care professional and contacting the National MS Society at nationalMSSociety.org or 1.800.344.4867.

HOW THE DOLLAR IS SPENT

The MS Society uses seventy eight cents of every dollar you raise to support research and programs to help create a world free of MS.

COMMONLY ASKED QUESTIONS

I'M WALKING AND MY FAMILY WILL JOIN ME. SHOULD THEY REGISTER FOR WALK MS?

Yes. All walkers, regardless of age, must register to participate in the Walk MS event. This is for your safety and so that each participant qualifies for fundraising incentives, including the \$100 minimum to receive an official Walk MS event t-shirt.

CAN MY COMPANY PARTICIPATE AS A TEAM?

Absolutely! A team is made up of four or more walkers from a company or a group of friends and family. There is a special place on the registration form to fill in the team name and team captain's name. Please make sure your team captain registers first; then each person on the team can register using the same team name.

WHERE DO I SEND MY DONATIONS?

You can bring your donations to Walk MS or they can be mailed at any time to the address below. Be sure to include the participant's name and Walk MS location city in the memo section of the check. Please do not send cash. Mail donations to:

National MS Society
Attn: Walk MS: Shreveport-Bossier City **OR**
Baton Rouge
P.O. Box 4125
Houston, Texas 77210

Please make checks payable to the National Multiple Sclerosis Society. Include the participant's name and Walk MS location city in the memo section of the check. You may also include a note in the envelope containing the information. This will help to properly allocate the donation for the participant.

ARE DONATIONS TAX DEDUCTIBLE AND HOW DO I GET A RECEIPT?

Yes. All donations are tax deductible to the fullest extent allowed by law. Donors giving \$250 or more will automatically receive an acknowledgement letter from the National MS Society in January of 2014.

Donors who give online will automatically receive a tax receipt via email for their donation. If an online donor needs a new receipt or you need a receipt for cash or check donations, please send a request to sc.dataservices@nmss.org and include donation amount, event date, donor name and mailing address and (if possible) donor email address. All receipt requests will be processed within two weeks of the original request date.

In addition to a letter or receipt, the IRS will accept the following as proof of a charitable donation: a canceled check, bank or credit union statement, or a credit card statement.

ARE THE ROUTES ACCESSIBLE?

Yes. All of our routes are accessible for participants in wheelchairs or scooters, as well as families with strollers or wagons.

WHAT IF I GET TIRED ALONG THE WALK?

There will be rest stops along the route as well as Support and Guidance (SAG) vehicles (at most event locations) that will give you a ride if needed.
